PINK OF 2024

Inspired by the indomitable **warriors' spirit**, the jersey pays **homage** to Rajasthan's essence, rich heritage, and **vibrant culture**.

Presenting our **'shield'**, a tribute to Rajasthan's warriors through time, that symbolises our **fighting spirit on the field**.

Complementing these **motifs** are intricate designs inspired by the architectural marvels of Rajasthan's **palaces and forts**, evoking a sense of grandeur.

The bandhani pattern stands out in the form of block prints, **resonating with the traditional attire of Rajasthani women**. Its vibrant dots and colors symbolize the **joy and festivity** of Rajasthan.

#PINKPROMISE

April 6 | JAIPUR

This season, we're going all-pink for a cause. The empowered women of our Social Equity Arm, the Royal Rajasthan Foundation, have always inspired everything we do at the Royals. When our players don this specially designed jersey featuring their names in our April 6 match against RCB, it will be our way of paying tribute to all those remarkable women who are leading a wave of transformation, not just in Rajasthan but across the country. These heroes have broken all societal and mental barriers to bring water and solar energy to their communities, inspiring the building of sustainable livelihoods.

In photos: Hon'ble Sports Minister of Rajasthan Col. Rajyavardhan Singh Rathore, Rajasthan Royals Chairperson Ranjit Barthakur, Chief Executive Officer Jake Lush McCrum and Director of Cricket Kumar Sangakkara announcing our #PinkPromise match in Jaipur.
