Dear Royals Family,

The past few weeks have been nothing short of a rollercoaster ride for all of us. But through all the highs and lows that we've experienced so far, we're grateful for having some of the most passionate fans in the world. (Especially you who's reading this!)

Whether we're playing in Jaipur, Guwahati or simply making our way to the ground - you guys have come out in huge numbers game after game, and have showered us with so much love. Trust me, it actually has a positive impact on everyone in that dressing room.

As Royals, the brand of cricket we play is to be fearless, never-say-never, and give you a reason to smile when you leave the stands. Tonight, as we play our last home game in Jaipur, we look forward to signing off with an important win and leaving you with even bigger smiles. On behalf of the team, I want to thank each one of you for standing by us, in victory or in defeat. It has really kept us going.

With 2 more games to go in the league stage, there's only one thing on our mind - to finish in the Top 4 and ultimately get our hands on that glittering IPL trophy. We hope you continue to cheer us on till the end, and we'll do our best to give you, our Royals Family, what you truly deserve.

Until we meet again, *Halla Bol!*

VS

Royals won by 7 wickets

The last time we played host to RCB in 2019, Shreyas Gopal's three-wicket haul first restricted the visitors to 158/4. It was then followed by a commanding performance from our top order, including Jos Buttler's valiant 59 that paved the way for victory on the penultimate ball!

Welcoming the extended Royals Family

Over the past few weeks, we've had some good friends of the Royals Family visit us in India and cheer for the Royals on the field. Among these esteemed guests was the amazing Billy Beane, Former Major League Baseball player, current Executive Vice President of Baseball Operations for Oakland Athletics - a mastermind in the field of Baseball analytics, whose role was portrayed by Hollywood actor Brad Pitt in the movie 'Moneyball'.

We also had the pleasure of hosting the legendary ex-England captain Sir Andrew Strauss in Jaipur, along with Francois Pienaar, an all-time South African Rugby great and World Cup-winning captain.

The 'Sea of Pink' we love to see!

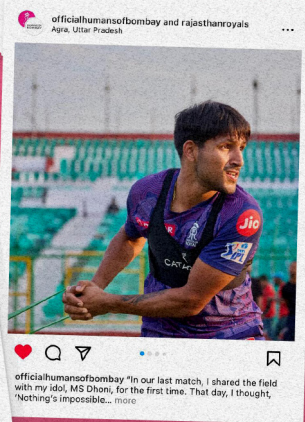

It was incredible to see and hear the deafening sound of your cheers, whether in Guwahati where we played for the first time, or in Jaipur where we returned after 4 years!
